

**SEVENTH TRAFFIC FATALITY FOR PETTIS COUNTY** — Wilbur H. Molt, 32, Sweet Springs was killed instantly in the above truck which crashed into Missouri-Pacific freight train No. 593 at the Pettis-Johnson County Line, Route FF grade crossing, Monday afternoon. Molt was driving the above gravel

truck north on the road and the freight train with Ellis Lister as its engineer, was traveling west. The truck burst into flames immediately after the collision. Molt apparently died from injuries received in the accident and not from the fire. Dr. C. Gordon Stauffacher, coroner, reported. (Democrat-Capitol photo)

## Truck, Train Collide

## Area Man Killed In Wreck Monday

The seventh traffic death for Pettis Co. this year was recorded Monday afternoon as a result of a truck-train collision at Missouri-Pacific crossing on the Pettis - Johnson County Route FF. Dead is Wilbur H. Molt, 32, of Sweet Springs, Mo., who was driving a gravel dump truck for the Menefee Construction Co. The accident occurred at 12:45 p. m.

Molt was driving a fully loaded truck which was leased to the Menefee company by J. T. Hill Produce Co., of Sweet Springs.

The train, Freight No. 593 west-bound had engineer Ellis Lister, Jefferson City, at the throttle with Fireman Leonard Golden and C. R. Sarton, front end brakeman, in the cab, at the time of the mishap.

The gravel truck was loaded with fine gravel and weighed an estimated 10 tons not including the truck weight. Molt was taking his load out on FF which is being prepared as a missile road, and was headed north. Marks on the front unit of the double diesel indicated the truck crashed into the left side of the front unit just behind the cab, and was knocked in a swirling motion and the gravel truck body smashed into the back part of the unit and then full force into the left front end of the second unit.

When it hit the second unit the truck was carried across the highway and into the ditch along side the right-of-way of the railroad on the south side of the tracks. The hood of the truck and motor were carried or knocked on westward about 200 feet and landed in the ditch along the south side right-of-way. The gravel body was knocked loose and landed just west of the truck.

Gravel from the load started spreading from the crossing down the south side of the train road bed for more than 100 feet.

The truck burst into flames almost immediately.

Dr. C. Gordon Stauffacher who was taken to the scene by Sheriff Emmett Fairfax, said Molt evidently was killed instantly from the blow of the truck striking the train and did not believe he died from burns suffered as he lay in the seat of the mangled vehicle.

Engineer Lister said he did not see the approaching truck, but was sounding the horn for the crossing a considerable distance back when he heard one of the other two men in the cab shout something about a truck and almost immediately felt a terrific jolt. "I thought for a moment we were going over or

## The Weather

Clear to partly cloudy and little temperature change through Wednesday. Low tonight 55 to 64. High Wednesday in the 80s. Winds southerly 8 to 15 mph diminishing somewhat tonight.

The temperature Tuesday was 63 at 7 a.m., and 85 at noon. Low Monday night was 63.

The temperature one year ago today was, high 80, low 69; two years ago, high 69, low 37; three years ago, high 73, low 55.

Lake of the Ozarks stage: 55.3 feet; 4.7 below full reservoir; no change.

## 2 Outposts Recaptured

ALGIERS (AP)—Algiers Radio claimed today that Algerian forces have recaptured two desert outposts taken by Moroccan troops Monday.

The Algerians said Moroccan troops supported by tanks, planes and heavy artillery swept up to 60 miles over the border Monday in the area of Hassi-Beida and Tinjoub, the outposts.

The Algerian government never officially admitted that the two places fell to the Moroccan invaders. But today, the radio announcer said in a triumphant voice:

"Our forces have cleared the invaders from Hassi-Beida and Tinjoub."

## Two Killed In Crash On Route 70

A St. Joseph, Mo. couple died as the result of a two-car accident on Interstate 70 about four and six-tenths miles east of the junction of U. S. 65 at 11:30 a. m. Monday.

Mrs. Frances Benn, 68, a passenger in a car driven by her husband was the first fatality. She died at 1:30 p. m. at Fitzgibbon Hospital in Marshall.

Her husband, Robert Benn, 71, 2904 North 32nd, St. Joseph, was taken to the hospital with critical injuries and died about 6 p. m.

Driver of the second car, Billie Joe Loggins, 22, Waverly, Mo., was not injured.

According to the State Highway Patrol Headquarters at Lee's Summit, the two automobiles were headed west on Interstate 70 when the accident occurred. Benn was driving a 1963 Mercury and Loggins a 1954 (Please turn to Page 4 Column 6)

## Station Burglarized

Fillicetti's DX Service Station on south Highway 65 was reported burglarized sometime during the night Monday.

Sheriff Emmett Fairfax said several items have been reported missing. An investigation is being made to determine extent of the loss.

Entry was gained by breaking a window on the north side of the station.

# Tax Cut Bill In Rough Spot With Senate Finance Panel

## Pressure Tactics Are Rapped

### Intimidation Charges In Move For Quick Passage

WASHINGTON (AP) — The administration's \$11-billion tax cut bill ran into rough going before the Senate Finance Committee today.

Before Secretary of the Treasury Douglas Dillon could even begin his plea for quick action, two Democratic senators protested what they said were intimidation and pressure tactics in behalf of the bill.

Sen. Albert Gore, D-Tenn., said a telegram sent out by an official of the Democratic National Committee might even be an effort to purge him.

Chairman Harry F. Byrd, D-Va., said that "recently public statements," which he did not further describe, "have the characteristics of pressure propaganda" and were highly unfair to his committee.

Both Gore and Byrd are opposed to the bill.

The telegram to which Gore referred was sent by William Keel, director of research for party national committee.

## Pollution a Public Nuisance

(EDITOR'S NOTE: This is the tenth in a series of articles concerning a major issue facing Sedalia voters—the Sewer Bond Issue. Various aspects and ramifications of the improvement program, what is to be done with passage of the issue, what happens if it fails, views of state and federal government and other information about the issue are covered in this series.)

By W. D. HILL  
News Editor, The Democrat

Due to an error in yesterday's article which explored types of bond issues, three lines were missing from one paragraph. The paragraph should have read: "Briefly, revenue bonds are paid for from funds derived from providing a service or facility; while general obligation bonds are paid off from taxation."

"Inasmuch as the people of the State of Missouri are dependent upon the rivers, lakes, streams and subsurface waters of the state for public and private water supply and for agricultural, industrial uses, it is declared to be the policy of the State of Missouri to act in the public interest to restore and maintain a reasonable degree of purity in the waters of the state, and to require, where necessary, reasonable treatment of sewage, industrial wastes and other wastes prior to their discharge into the waters of the state."

That's how the state statutes sum up the fact that pollution of streams is unlawful. "Any

such action," the law states, "is hereby declared a public nuisance."

The law defines the word pollution as follows: "The discharge or deposit of sewage, industrial waste or other wastes into the waters of the state in

such condition, manners or quantities which causes, the waters to be contaminated, unclean, impure, odorous or noxious to such an extent as to be detrimental to public health, to create a public nuisance, to kill or have an unreasonable harmful effect upon fish or other aquatic life, or upon game or other wildlife, or unreasonably detrimental to agriculture, industry, recreation or other reasonable uses."

The City of Sedalia faces the prospect of being "found guilty" of violation of the law. That is why the Missouri Water Pollution Board insists action be taken by Sedalia to abate stream pollution.

The law outlines the state board's authority to act in such cases and points out that all improvements to sewage treatment facilities can be made only with plans approved by the board. Also covered is authority to revoke any city's permit where a violation is found to exist. Such action is taken through proper legal proceedings and the state is represented in such cases by the Attorney General.

This, in essence, backgrounds why the City of Sedalia is facing a \$3-million Sewer Bond Issue at the polls Nov. 12. The pollution board has determined that stream pollution is resulting from inadequate treatment of sewage and industrial waste dumped into three streams running from the city of Sedalia.

## Printers' Conference Slated Here

### Two-day Meeting Will Be Held At Holiday Inn

The fall session of the Missouri Typographical Conference will convene in Sedalia Saturday and Sunday with headquarters at Holiday Inn, registration to take place in the lobby from 1 to 5 p.m. Saturday.

Frank S. McKinney, general manager of the Kansas City Star, will give the address at the banquet Saturday evening which will start at 6:30 p.m.

Special recognition will be given at the dinner to O. B. Poundstone, Sedalia, who will be presented with a 50-year ITU membership emblem, the presentation to be made by John J. Pilch, first vice-president of the International Typographical Union. Poundstone has been a member since 1910.

The meeting will open with introduction of guests and officers by William C. Bergmann, president of Sedalia Typographical Union No. 206, with invocation to be given by William A. Burton, Sedalia, a former president of the Missouri Typographical Conference.

The address of welcome will be given by L. L. Studer, mayor of Sedalia, with responses by Neil Neff, St. Joseph, president of the Missouri Typographical Conference, and Mrs. Edna Foster, president of the Missouri State Auxiliary.

Neil Neff, president, will preside.

Preceding the banquet on Saturday a Minuteman missile briefing will be given by an information officer of Whiteman Air Force Base, in the banquet room at 3:30 p.m. and this will be followed by hospitality hours from 4 until 6 p.m.

John J. Pilch will be the speaker at the meeting Sunday morning which starts with a business meeting at 9 a.m.

A Junior Typographical Conference will follow.

## Dolly Alexander Vies For Queenship at MU

Dorothy R. (Dolly) Alexander, 1016 West Broadway, a sophomore in the College of Arts and Science at the University of Missouri, is representing Chi Omega Sorority competing for the crown of 1963 Homecoming Queen. The queen will reign at the Homecoming Hootenanny Nov. 1 and 2.

## Cable Trial Underway In Circuit Court

A jury trial for Carl Lee Cable, 61, 805 West Main, charged with receiving stolen property, opened Tuesday morning in Pettis County Circuit Court before Judge Frank Hayes.

Cable is charged with receiving tires stolen the night of April 19 from Orscheln Farm & Home Supply, Inc., from the firm's warehouse at Grand and the Missouri Pacific railroad tracks.

Prosecuting Attorney J. R. Fritz questioned seven witnesses before Judge Hayes ordered the court recessed at 11:45 a.m. for lunch. The trial resumed at 1 p.m. Cable is being represented by Sedalia attorney William F. Brown.

Serving on the jury are 11 men and one woman. They are: Tom Paul, Andrew C. Smith, Jr., Hershel Hooper, Mrs. John Fair, Higgins Warren, Bruce Ritchey, Paul Meyer, B. W. Wiley, James Harms, James Paul, Morris Roseboom and Walter Jesse.

Virgil Winge, manager of the Orscheln firm's store at 713 West Main, was the first witness called by Prosecutor Fritz. Winge identified tires taken from the warehouse at the rear of Pettis County Locker as bearing the "Duralon" brand, a

# UCP—One of 13 United Fund Agencies

One of the largest single contributors to the Children's Therapy Center, formerly known as the Crippled Children's Center, is the United Cerebral Palsy of Pettis County, Inc. The UCP organization is one of the thirteen agencies which participate in the United Fund pledges and donations.

Out of the 120 children attending the center or receiving benefit from the therapies, 18 youngsters have cerebral palsy. It costs approximately \$360 a year to give care and rehabilitation to each child at the center. Based on this fact, approximately \$6500 alone is spent annually in Sedalia towards the cerebral palsy program. This aids greatly in the welfare, health and education of Pettis County's young people.

In previous years, United Cerebral Palsy of Pettis County has been able to contribute approximately \$5000 to the Children's Therapy Center. This amount has hinged on the fact only part of the annual Fund goal has been reached. A fraction of United Fund's contribution to UCP also goes towards

James Rennison, one of Pettis County's cerebral palsied children, receiving Occupational Therapy from Miss Janet Vevra, Occupational Therapy Nurse. James is learning to type as part of this program.

Darlynn McBride, another cerebral palsied youngster, receiving speech therapy from Roger Garlich, speech therapist.

Darlynn also receives physical therapy. Part of this therapy is gait training in the parallel bars.

research and aiding in establishing other chapters of UCP. The cerebral palsy organization, however, boasts the fact most of the dollars are used in Sedalia. They point out that any contribution to the national or-

ganization is used principally in research and will eventually benefit the local situation.

Plans are now in the making to establish a Sheltered Workshop in Sedalia. This will assist, among others, the cerebral pal-

sied young people who are no longer in need of the local center and give them an opportunity to work at menial tasks on an organized productive basis.

United Cerebral Palsy of West Central Missouri, with which the

local chapter is affiliated, has already pledged to underwrite a part of this cost.

Cerebral palsy is a general term for a group of disorders caused by injury to certain cells in the brain. It is neither con-

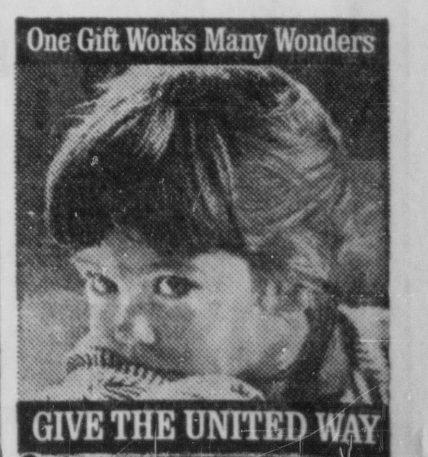

tagious or hereditary. By damage to brain cells, particularly those in the motor center, cerebral palsy can occur. The most common effects are awkwardness, involuntary gait, lack of balance, guttural speech and

grimacing. It can also be associated with impairment of sight, hearing, and reasoning power. Abnormally slow development of an infant's muscular control and coordination may be the first signals.

Trained experts in physical, occupational and speech therapy, along with treatment by psychologists, orthopedics, pediatrics and education can improve the cerebral palsied. A respecter of no particular age or type of person, there are 600,000 in the United States with this condition. Out of this group, 350,000 are adults and 250,000

## Ann Landers

Answers  
Problems  
Your

Dear Ann Landers: My husband and I believe in planning ahead. We are now arguing about Christmas cards.

All the years we have been married we've had our cards printed with my name appearing first. Example: "Greetings from Dorothy and Dick." My husband says it's time I gave him top-billing for a change and have the cards read, "Greetings from Dick and Dorothy."

I was under the impression that the woman's name is supposed to appear first as a matter of etiquette. Dick says I am wrong about this and it's just a matter of which way you want to do it. Will you please settle the argument in a hurry?

**TIRED OF FIGHTING**

Dear Tired: I do hope these words reach you in time. There are only 84 days left until Christmas.

On printed cards the woman's name should appear first. Since your husband would like his name to appear first for a change (big deal) you could please him by hand-signing the cards. It is correct for the person who signs for himself and another person to place the other person's name first.

Dear Ann Landers: A certain woman who works in this office hates me because I have a terrific figure and I eat anything I want while she starves herself to death and looks like a Mack truck.

This woman is always trying to put me in hot water with the office manager. If I am five minutes late in the morning she reports me. If I overstay my coffee break three minutes she reports me. Last night I left ten minutes early because the weather was threatening and I had a chance to ride home with a friend. I received a needle about it the first thing this morning.

My work is top-notch and I'm twice as fast and three times as efficient as any girl in this office. I'm not pinning any medals on myself, Ann, but I just happen to be an excellent typist. How should I deal with the trouble-maker?

**VICTIM OF JEALOUSY**

Dear Victim: If you are twice as fast and three times as efficient as any girl in the office two minutes here and five min-

## Knipp-Baughman Wedding Held In September

The Rev. Donald Wallace, Jefferson City, performed the double ring ceremony uniting in marriage Miss Patricia Ann Knipp and Mr. Andrew T. Baughman, Sept. 14 at St. Andrew's Catholic Church, Tipton. The bride is the daughter of Mr. and Mrs. Ernest G. Knipp, Tipton, and the bridegroom's parents are Mr. and Mrs. George Baughman, Fortuna.

Mr. David Wolf, soloist, accompanied by Mrs. Georgia Schmidt, sang several wedding selections during the mass, and "On This Day, O Beautiful Mother," as the bride presented a bouquet of white pompon chrysanthemums at the altar of the Blessed Mother.

The bride, who was escorted to the altar and given in marriage by her father, wore a gown of silk organdy and Alencon lace. The slender silk bodice was styled with a bateau neckline and long tapered sleeves. Unpressed pleats formed the front fullness of the skirt and the back featured a pleated bustle which lengthened to a great chapel train. A silk cabbage rose accented with seed pearls held her bouffant veil of silk illusion. She carried a bouquet of red carnations and ivy.

Maid of honor was Miss Sharon Knipp, sister of the bride. Her gown was a sheath street length medium blue satin creation with an overskirt of matching nylon organza. The bodice featured a scoop neckline with short sleeves, while the softly pleated overskirt was accented by a front white lace panel. She wore a matching satin circular headpiece and wrist-length white gloves. Her bouquet was of red carnations in crescent form.

Mrs. Linda Eaton, Jefferson City, sister of the bridegroom, was bridesmaid. Her costume was like that of the maid of honor.

Mr. Arnold Knipp, cousin of the bride, was best man. Mr. Norbert Wirths, also a cousin of the bride, served as groomsmen. Ushers were Mr. Jim Newkirk and Mr. Jim Knipp, both of Kansas City. Mass servers were Mr. Richard Knipp and Mr. Leonard Knipp.

The mother of the bride selected an ecru brocade dress with brown and tangerine accessories. Her corsage was of tangerine carnations.

The mother of the bridegroom wore a brown combination light weight wool dress and accessories of brown. Her corsage was also of white carnations.

A reception was held in the church dining rooms after the ceremony. Miss Judy Schuster, Kansas City, presided at the guest book. Assisting at the reception were Mrs. Ronald Orscheln, Mrs. Vest Hirst, Jr., Miss Phyllis Stoecklein and Miss Sharon Yontz.

A dinner was served to the guests by Mrs. Albert Knipp, Jr., Mrs. John Wisner, Miss Norma Knipp, Miss Mary Beth Wirths, Miss Mary Faith Knipp, Miss Hedy Reibenspies, Miss Jane Reibenspies, Miss Ruth Knipp, Miss Sue Stephens and Miss Rosemary Oligschlaeger.

Mrs. Baughman is a 1960 graduate of Tipton High School and is employed as a secretary of the State Division of Insurance in Jefferson City.

Mr. Baughman was graduated in 1960 from Versailles High School. He is a member of the United States Air Force and is stationed at Little Rock Air Force Base, Jacksonville, Ark.

Broadway Presbyterian Church, will meet as follows:

Group 1, 1:30 p.m., with Mrs. N. H. Wehmeier, Route 2.

Group 4, 1:30 p.m. with Mrs. C. R. Walker, 1115 Ware.

Group 5, 1:30 p.m. with Mrs. Fred Wertz, 1715 West 14th.

Group 6, 1:30 p.m., with Mrs. Lawrence Brown, 1212 Liberty Park.

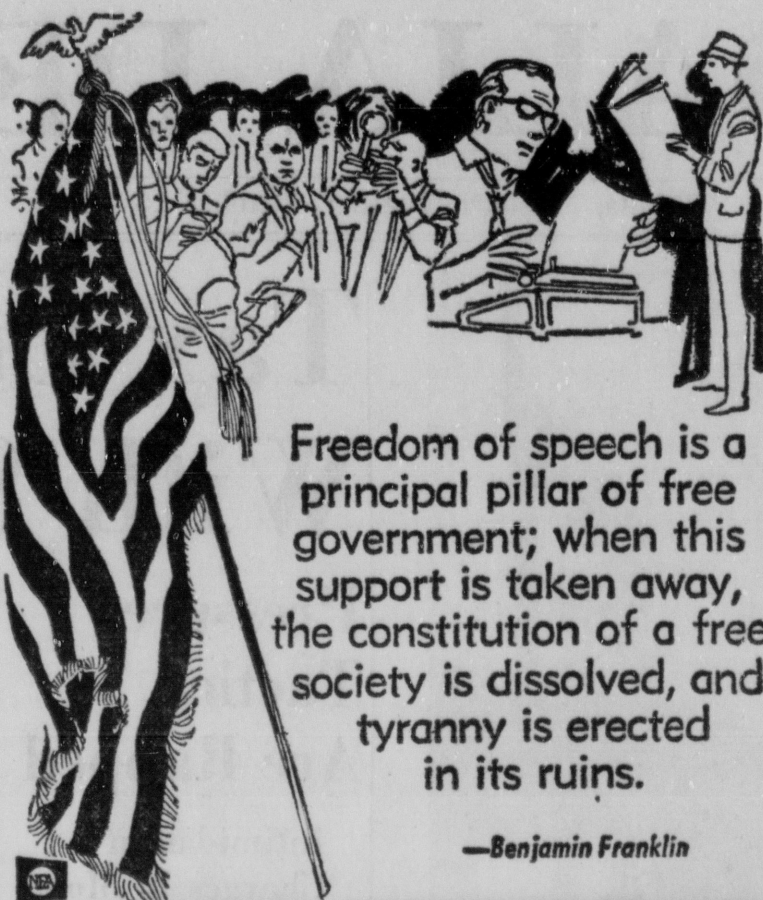

Barnes Circle, WSCS, First Methodist Church, will meet at 1:15 p.m. at the home of Mrs. W. E. Johnson, 820 South Vermont.

Fideles Class, East Sedalia Baptist Church, will meet all day in the basement of the church. Covered dish luncheon noon. Program at 1:30 p.m.

Houstonia Extension Club will meet at 10:30 a.m. at the home of Mrs. J. L. Purchase, Jr.

Whittier Parent and Family Life will meet at 1:30 p.m. at the home of Mrs. Francis Ream, 1721 South Collins. Everyone welcome.

**Sharon Buchanan Auxiliary Queen At New Hope**

A coronation service for the Girls' Auxiliary of the New Hope Baptist Church was held Sunday evening, Oct. 6, with Sharon Buchanan as queen.

Members of the King's Court in addition to the queen were her flower girl, Teri Goff; the crown bearer, Ricky Holman; the ladies-in-waiting, Linda Wells and Brenda Griffith; and the maidens, Giana Snyder, Peggy Shackles and Dixie Shackles.

The theme of the service was "The Royal Diadem." A background of royal blue with large gold stars formed the setting for the coronation, the gold stars representing the five star ideals and a large gold crown. Potted plants were at the side.

Mrs. William Wertman read the scripture followed by the invocation by Mrs. William Reed, associational WMU president.

The church choir sang, "We've a Story to Tell" with Miss Penny Nichols at the organ as accompanist. The welcome and introduction was by Mrs. Clay Holman who also presented the awards. Narrator for the service was Mrs. Everett Preuitt.

At the end of the presentation of awards Vicki Mahan and Teresa Preuitt raised the large gold crown as the girls and the choir sang "All Hail the Power," holding the crown in position as a prayer of dedication was given by Rev. John Rush.

At the close of the service refreshments were served by the WMS of the church.

**Prison Worker Arrested With Pep Pill Cache**

PLATTE CITY, Mo. (AP) — Peace officers believe they have broken a link in the chain that supplied "pep pills" to convicts in the Kansas Penitentiary at Lansing.

The break came with the arrest in Platte County Sunday night of Mike Barone, 49, a maintenance plumber at the prison.

Barone will have a preliminary hearing Oct. 30 in magistrate court on a charge of felonious

**1812 Daughters Will Dedicate Marker Sunday**

The Missouri State Society, United States Daughters of 1812, will have a ceremony in Arrow Rock, Sunday, at 2 p.m., to dedicate a marker which the Society is placing to commemorate the memory of George C. Sibley, who established a blockhouse and trading post there in 1813.

Sibley had been the factor at Fort Osage on the Missouri River in northeastern Jackson County, established in 1808, which has been restored in recent years. During the War of 1812 the Indian attacks became so bad the Fort had to be abandoned. It was then that Sibley established the trading post at Arrow Rock.

In 1814 the Indian attacks became so numerous there, also, that Sibley had to again abandon his post. He later returned to Fort Osage and re-established the fort there.

The marker is to be placed in the northeast part of the Arrow Rock State Park on the bluff east of the George Caleb Bingham house, on the site where the trading post is believed to have stood.

John R. Hall, Marshall, will be the speaker for the dedication. Mrs. Kermit C. Watkins, Liberty, is the Missouri state president of the national society, United States Daughters of 1812.

possession of stimulating drugs. He was released under \$5,000 bond following his arraignment Monday.

Barone had 25,000 amphetamine sulphate pills and 10 vials of the drug in solution when arrested by Sheriff John Lowmiller.

William M. Ferguson, Kansas attorney general, estimated the supply would bring \$25,000 if sold behind prison walls. Prison officials said the pep pills have been a problem at the prison for several years.

Lowmiller said Barone apparently had just obtained the drug from an unidentified person who drove away while the plumber was being arrested.

## South-Coons Vows Are Said In Otterville

Miss Janet South, Washington, and Mr. Billy Coons, Villa Ridge, were united in marriage Saturday, Sept. 28, at the home of Mr. Coons' sister, Mrs. George Marcum and Mr. Marcum in Otterville. The Rev. Farrie L. Cole read the double ring ceremony.

Mr. and Mrs. Marcum attended the couple.

The bride is employed at a bank in Washington. The bridegroom works at Alton Box Factory in Washington. The couple will reside in Washington.

**Hofstetter-Wirths Wedding Held in Florida**

Miss Phyllis Ann Hofstetter, daughter of Mr. and Mrs. Lester Hofstetter, Tipton, and A-1c John E. Wirths, son of Mr. and Mrs. Fred Wirths, Tipton, were united in marriage in a double ring ceremony Oct. 2 at Fort Walton Beach, Fla.

Attending the couple were Airman and Mrs. Danny Abshire, Fort Walton Beach.

For her wedding, the bride chose a white wool sheath dress with empire waist trimmed with lace. A blue velvet hat with matching veil and a shoulder corsage of red roses completed her ensemble. The bride carried a hand embroidered, hem-stitched white linen handkerchief imported from Switzerland, a gift from an aunt.

The bride was a senior at Central Missouri State College, Warrensburg.

The newlyweds are both 1960 graduates of Tipton High School.

The couple is at home in Fort Walton Beach.

### Dollar-Foolish

## Navy Believes Oil Burning Ships Are Nearly Obsolete

By FRED S. HOFFMAN  
AP Military Affairs Writer

WASHINGTON (AP) — The Navy believes U.S. atomic know-how is moving ahead so rapidly that before long it will be dollar-foolish to build surface warships with fuel oil engines rather than nuclear power plants.

It is supported by the Atomic Energy Commission, which in effect touched off the current dispute between the Defense Department and the Navy.

Many months ago, it was learned, AEC Chairman Glenn Seaborg suggested to Secretary of Defense Robert S. McNamara that nuclear power costs were coming down and that the Pentagon should give thought to wider application of atomic power to surface vessels.

The Navy may have lost the first battle—but with powerful backing on Capitol Hill it may yet win the war.

Secretary of the Navy Fred Korth's abrupt resignation, announced Monday, appears the tipoff that McNamara probably will deny the Navy permission to install nuclear engines in a new aircraft carrier for which Congress last year voted \$280 million.

The Navy is not talking about the studies it made to support its bid for the new carrier and, beyond that, for all future warships heavier than 8,000 tons.

But certain members of Congress are aware of the Navy findings, and the matter may come out on the public record if hearings are held.

Cost is a pivotal factor both on the issue of the carriers' future as a weapon either conventionally or atomic-powered, and the longer range matter of building warships of various kinds with nuclear power plants.

The United States some years ago made a start on a nuclear surface fleet but the Pentagon changed direction when costs began getting out of hand. The 85,000-ton Enterprise, world's first and only nuclear carrier, ran up a bill of \$474 million.

But Seaborg reported to McNamara that technological progress had been so marked that four nuclear engines installed in the new carrier could furnish about as much power as the eight reactors that propel the Enterprise.

He also said that the new type engines could use atomic fuel with more than double the life expectancy of those used in the Enterprise's engines.

Navy studies that followed showed that the costs of installing atomic power plants were dropping and are expected to drop even more. The nuclear engines also are expected to improve in output of power and in simplicity.

The prospects are so hopeful that atomic experts in the AEC and the Navy are giving serious thought to the practicality of mounting nuclear engines in fighting ships as small as 4,500-ton guided missile destroyers.

McNamara's experts reportedly have estimated it would cost another \$180 million to build the next carrier with

atomic power. The Navy's calculations arrived at a figure nearly \$60 million lower.

The Navy is believed to want enough atomic vessels to make up several carrier task groups. These would include, in addition to a carrier, a guided missile frigate and perhaps three guided missile destroyers.

Eventually, the Navy likely would want to use nuclear warships to escort the Giant Forrestal class supercarriers which are oil-powered and now make up the backbone of the Navy's air striking punch.

Bound up in the whole question is the future size of the Navy's powerful carrier forces. There have been strong hints that key defense officials are inclined to cut the Navy attack carrier fleet from 15 vessels to perhaps 13.

They reason that the advent of long range missiles and Polaris missile-firing submarines has reduced the former importance of the carrier as a strategic weapon and that the cost of maintaining the carrier strike forces at their present levels is not justified by the contribution they can make to fighting limited war.

The Navy challenges this view contending that for the foreseeable future there is no readily available, powerful enough force comparable to the carrier task group to apply U.S. might in overcoming brush fire crises in far flung areas of the globe.

McNamara is reported to have proposed keeping the attack carrier force at 15 ships into 1970, then dropping one carrier a year for two years and leveling off at 13.

The Navy was said to have balked at going below 14 carriers until the shape of things to come is clearer.

There was some evidence that the Navy might be willing to space out its carrier program as a means of staying within the Pentagon's cost limits.

Instead of getting approval and money for a new conventional carrier every two years, as has been the pattern, the Navy might agree to a new nuclear carrier every three years.

The Navy now maintains three carriers in the Far East and two in the Mediterranean. There is a possibility that the Mediterranean carrier force may be cut

### Harris Attending Investors Conference

Lou Harris, Sedalia, and other sales representatives for Investors Diversified Services, Inc. (IDS), are attending a career recognition conference conducted by the company in Minneapolis, its home base, from October 14 to 16 inclusive. They qualified on the basis of outstanding sales and service performance during the year preceding the conference.

Thomas W. Moses, IDS president, and William B. Boscow, vice president — sales, will be principal speakers. Herbert A. Johnson, director — sales training, will conduct the meetings.

## Seek Rooms For Visiting 'Witnesses'

Vernon Russell, Independence minister was in Sedalia on Saturday to take charge of a concentrated search for rooming accommodations for the delegates that will be attending the three-day assembly of Jehovah's Witnesses to be held here November 15-17, according to Walter H. Meyer, local presiding minister of the group.

This special activity opened on Saturday morning with a meeting at Kingdom Hall, 721 E. Third Street, with Russell presiding. "We expect about 650 persons to attend our assembly next month," Russell stated, "and it is our privilege to arrange for sleeping rooms for most of the delegates and their families." He went on to say, "While most delegates will be staying in the hotel and motel rooms reserved for them, many of those with families will not be able to afford the commercial rates. For this reason," he continued, "many will be placed in rooms in private homes of Sedalia residents."

"This is not a quest for free rooms," Russell explained, "but the Witnesses are willing to pay a reasonable rate for accommodations for the week-end." Delegates will be coming from Independence, Marshall, Columbia, Jefferson City, Rolla, Salem, Lebanon, Marshall, and several other Central Missouri communities. Most of the delegates will room in Sedalia Friday and Saturday.

The highlight of the convention will be the public address, "The Bible Triumphs in A Scientific World" which will be given Sunday afternoon at Convention Hall, Liberty Park.

Favors Peach Brandy For 108th Birthday

SPRUCE PINE, N.C. (AP)—A hint for those coming to help Uncle Bill Keller celebrate his birthday today: He says it wouldn't hurt if you bring a little peach brandy.

Uncle Bill will be 108. That, according to the Social Security Administration, makes him the oldest resident of North Carolina.

Widowed twice, he lives alone in a small mountain house. He says he walks barefooted in snow, "to keep from having colds and flu."

In half because Polaris submarines now are operating there.

As the Navy sees it, the admittedly heavy initial cost of constructing a nuclear-powered fleet of various types would be compensated for over the long life—perhaps 25 years — anticipated for atomic ships.

The Navy thinks there is no comparison between the fighting advantages of a nuclear warship and an oil-driven craft.

Besides the Enterprise, the United States has two other nuclear powered surface ships—the cruiser Los Angeles and the frigate Bainbridge. A fourth, the frigate Truxtun, is being built. It was authorized several years ago.

## Logging TV Shows Ahead Is Dangerous

By CYNTHIA LOWRY  
AP Television-Radio Writer

NEW YORK (AP)—When the average filmed television series makes its network debut at the beginning of the season, there usually are from 6 to 26 completed episodes ready for broadcasting.

In the case of one established hit, "Hazel," the crew and cast worked through last spring and early summer on the fall product. With this head start the show took a long summer holiday that ended only two weeks ago.

But in the case of the new programs, this practice of storing up episodes so far in advance is dangerous and, in some cases, fatal. The backlog, produced at vast cost, prohibits any changes and shifts of emphasis that might turn failure into a passable success, even a hit.

When plans were announced for CBS' new "Judy Garland show," the network hoped to have 13 shows completed before the variety hour had its premiere.

Because of a shift of producers resulting in a month's suspension of tapings, there were pension of tapings, there were lucky break.

With a flexibility rare indeed in television, network executives recently pulled one show from its schedule and substituted another, made only two days before. They decided that it was a better show. And it was.

Usually, however, a series must go its pre-determined course. Story lines, formats and concepts — even players — are chosen by a handful of "experts" months, sometimes years before the public finally passes judgement. And too many times those experts goof. For each smart, timely guess—like "Ben Casey" and Vince Edwards or "Beverly Hillsbillies" — there are two or more shows that never get off their launching pads. There are the usual number this season.

A lot of experts thought this would be a big season for comedy. Shows like NBC's "Harry's Girls" and CBS' "Glynis" both must have looked pretty good while on the drawing board. Presumably if public reaction to both had been available, changes might have been made in episodes that would have made them more attractive.

Meanwhile, NBC apparently hasn't given up hope. It has shipped a new writer to Europe to brighten up the Larry Blyden comedy series. But with a big backlog of shows, it may be too late.

CBS' "Town Meeting of the World" which this morning was to bring together live-TV stars from Rome, London and Princeton, N.J., will be re-broadcast on the network Wednesday in the 7:30-8:30 p.m., EDT spot. That means that the scheduled "CBS Reports" on "The Great American Funeral" has been postponed until Oct. 23.

NBC's "Espionage" on Oct. 23 has a timely subject: a security leak in a British ministry . . . NBC plans to adapt Britain's "That Was the Week That Was," a satiric treatment of the news, to a weekly series for Americans next season—and will give a preview on Nov. 10 in

IN WASHINGTON SCHOOL — Mrs. Charlotte Phillips, a life-long resident of Sedalia, and former employee of the Elks Club, was recently selected for admission to the Hannah Harrison School of the YWCA of Washington, D.C., and is enrolled in the Administrative Housekeeping and Food Supervision course. The Hannah Harrison School is one of the most unusual in the world because of its policy of providing room, board and tuition without charge to qualified women. This was made possible by the generosity of the late Julius Garfinckel, Washington department store owner and philanthropist, who left the major portion of his estate to the WYCA of Washington, D.C., for the purpose of establishing the school as a living memorial to his mother, Hannah Harrison.

### Warren Papers Will Remain Under Cover

SACRAMENTO, Calif. (AP)—The private papers collected by Chief Justice Earl Warren during his three terms as governor of California are going to remain under lock and key.

Secretary of State Frank M. Jordan said he received a request from Warren asking that the records be kept under seal until further notice.

When Warren resigned 10 years ago to accept appointment to the Supreme Court by former President Dwight D. Eisenhower, he asked that the papers be sealed for 10 years or until his death.

Assess \$4,665 Fine For 235 Tickets

CHICAGO (AP)—A carpenter was fined \$4,665 Monday for failing to pay for 235 parking tickets he received in 1960 and 1961.

Frank Saraceno, 32, told Judge Casimir V. Cwiklinski in Traffic Court that he didn't know the tickets had been issued against him until he was brought to court. He was unable to explain how this happened.

Saraceno said he would make a down payment of \$200 on the fine, and would devote 50 percent of his income every month to paying off the remainder. His income was not disclosed.

His attorney told the court Saraceno had sold his automobile and "at this point it doesn't seem economical to own a car."

its "Show of the Week" spot . . . The annual Christmas night broadcast of "Amahl and the Night Visitors" will be an all new NBC production this season.

## Planning Meet By East Sedalia Baptist WMU

A planning meeting of the East Sedalia Baptist WMU was held Tuesday afternoon, Oct. 8, in the church basement, at which time plans were made to have all auxiliaries, Sunbeams, Girls' Auxiliary and YWA's to meet at 7:30 Wednesday evenings. This was approved with the beginning date to be Oct. 23.

The meeting opened with Mrs. Kenneth Neill, president, presiding, and the call to prayer given by Mrs. W. D. Burlingame.

The hymn of the year will be "Oh God, Our Help in Ages Past." The watchword will be Psalm 105:1. Mrs. Neill gave literature and instructions to the auxiliary leaders and counselors.

The regular WMS meeting date will be the second Tuesday of each month, beginning in November. There will be a contributive dinner at noon with the executive meeting at 1:30 p.m., followed by the regular meeting and program at 2 p.m. The October WMS meeting will be Tuesday, Oct. 15, at 1 p.m. with a dinner at noon.

The following will be the fostering circles for the various auxiliaries and the chairmen of each: four and five year Sunbeams, Anderson Circle, Mrs. Earl Parker; six and seven year Sunbeams, Kate Cox White Circle, Mrs. Vern Abney; eight year Sunbeams, Livingston Circle, Mrs. E. J. Williams; nine and ten year GA's, Connelly and Albert Steward Circles, Mrs. Florence Butterwick and Mrs. Jack Curran; 11-12 year GA's, Armstrong and Lottie Moon Circles, Mrs. B. C. Decker and Mrs. Lloyd Neitzert; intermediate GA's, John Lowe Circle, Mrs. A. P. Beazley and the YWA's, Lillian Watson, Mrs. Arthur Wolfe.

The following committees were appointed by Mrs. Neill: program, Mrs. Wayne Rhoads, chairman, Mrs. Don Walters, Mrs. W. P. Arnold and Mrs. Morris Lees; enlistment, Mrs. Owen Fox, chairman, Mrs. Murlan Tharp, Mrs. E. J. Williams and Mrs. J. N. Cameron; community missions, Mrs. T. L. Greening, chairman, Mrs. Bruce Ulmer, Mrs. L. T. Maxwell and Mrs. Arthur Wolfe; prayer, Mrs. W. D. Burlingame, chairman, Mrs. L. R. Mills, Mrs. Violet Withers and Mrs. Aubrey Moore; stewardship, Mrs. E. L. Langdon, chairman, Mrs. B. C. Decker, Mrs. George Walters and Mrs. A. P. Beazley; and mission study, Mrs. Lloyd Abney, chairman, Mrs. Don Carver, Mrs. Earl Parker and Mrs. Eddythe McFarland.

Mrs. L. R. Duff gave the closing prayer.

### Small Art Objects Bring Fancy Prices

LONDON (AP) — Gold snuff boxes, portrait miniatures and other small objects of art from the collection of the late Rene Friebourg of New York brought \$398,124 at Sotheby's Monday at the opening of the autumn season.

It was the fourth lot of the Friebourg collection to be sold here. The other three lots were auctioned in June for \$1,823,752.

ELECTED — Mrs. Bettye Murrell, wife of Johnny Murrell, 1408 State Fair, has been elected chairman of the Pettis County Tuberculosis Association. Mrs. Murrell is public school nurse.

## OBITUARIES

### Eugene Herndon (Leeton)

Eugene Herndon, 83, Leeton, died at the home of Mr. and Mrs. Ben Stewart in Leeton at 6:15 a.m. Monday.

Mr. Herndon was born Dec. 12, 1879, in Johnson County, son of the late William and Cyrene Lipscomb Herndon. He was married to Ura Lee Cooper on Oct. 7, 1903. She died in 1954.

Mr. Herndon spent most of his life in Johnson County, farming in the Sutherland community northwest of Windsor. After the death of his wife he retired and moved to Sedalia where he lived with a son, Houston Herndon, who later moved to Sarasota, Fla. In 1958 Mr. Herndon moved to Leeton, where he lived with a cousin, Mrs. Gannie Heary, until bad health forced him to enter the Johnson County Hospital in Warrensburg. He returned to Leeton Aug. 13 of this year.

Survivors include his son, Houston, in Sarasota and two brothers, George Herndon, Trenton, and Curtis Herndon, Kansas City.

Funeral services will be at 2 p.m. Thursday at the Huston Funeral Home in Windsor, with the Rev. C. Wayne Smith and the Rev. Cleo Gray officiating.

Burial will be in Laurel Oak Cemetery. The body is at the Huston Funeral Home.

## Funeral Services

### John W. Needy

Funeral services were at 3:30 p.m. Tuesday at McLaughlin Chapel for John William Needy, 78, Green Ridge, who died Sunday. The Rev. Charles E. Likely officiated.

Organ music was by Mrs. C. C. DeLozier.

Pallbearers were Dale Ray, Quintin Binder, Elburn Chaney, Sam Sloan, Julian Ream and Wilford Purchase.

Burial was in Crown Hill Cemetery.

### Hugh C. Spears

Funeral services were at 2 p.m. Tuesday at the McLaughlin Chapel for Hugh C. Spears, 75, who died Saturday at the Sedalia Rest Home. The Rev. Harry Purviance officiated.

Mrs. Jack Herndon sang "Beyond the Sunset" and "In the Garden" with Mrs. C. C. DeLozier at the organ.

Pallbearers were J. W. Greer, J. H. Brooks, G. R. Raines, Roy Kirchhofer, T. K. Barley and Harry Runge.

Burial was in Miller's Chapel Cemetery.

### Mrs. Della Binkley

Funeral services were at 1:30 p.m. Tuesday at the Eugene Christian Church for Mrs. Della Aurella Binkley, 93, formerly of Syracuse, who died Sunday at a California, Mo., rest home. The Rev. Bob Potter officiated.

Burial was in Spring Garden Cemetery near Russellville.

### Miss Ollie Davis

Funeral services will be at 2:30 p.m. Wednesday at the Hays-Painter Funeral Chapel in Pilot Grove for Miss Ollie May Davis, 95, Pilot Grove resident, who died Sunday. The Rev. Damon Hudson will officiate.

Burial will be in Pilot Grove Cemetery.

## Newspaper Week Talk By Forsee

"We are convinced that the daily newspaper is an integral part of our American life, and that the free press is a bulwark of our democracy," were the opening words of Joe Forsee, circulation manager of the Democrat-Capital, in his National Newspaper Week talk before the Sedalia Rotary Club members Monday noon at Hotel Bothwell.

Forsee then told of the problems and responsibilities of administering the Democrat-Capital circulation department so that more than 14,000 daily subscribers and 14,300 Sunday subscribers receive their newspapers in good condition, and on time.

He pointed out that the Democrat-Capital has three methods of distribution — U.S. mail delivery, single copy sales and home carrier delivery service. Of the total circulation of over 14,000, more than 9,300 copies are distributed by 118 junior merchant newspaperboys in Sedalia and surrounding communities. He then presented three of his top ranking junior merchants, Kelvin Cole, Roger Spencer and Mike Herrick.

"Through their work as junior merchants, these 118 newspaperboys are gaining an education in the American way of life. They are learning to be businessmen by managing their own business — by purchasing their newspapers at wholesale and reselling at retail to their subscribers — and through good delivery and service and prompt collection they realize a profit from their work, and gain the valuable experience which will remain with them for life," stated Forsee.

Following his talk, Forsee presented a short film entitled "As the Twig Is Bent," which depicted the benefits realized by the young newspaperboy.

Harry Kull, October program chairman, introduced K. U. Love, Democrat-Capital general manager, who presented the speaker. Love, in his remarks, stated that Forsee has been circulation manager of the Democrat-Capital since 1955, and under Forsee's administration the circulation of the Democrat-Capital had grown steadily from 11,455 daily and 11,872 Sunday, net paid, to 14,027 daily and 14,309 Sunday, net paid, to reach the highest circulation in the history of these newspapers.

Preceding the program, D. S. Lamm, chairman of the Rotary Information Committee, presented Rotary pins and other material to new members Robert Severide and Michael C. Ballard. He was assisted by William Harbaugh and Leo Wickhoff, other members of the committee.

Harry Walch, president, recognized Larry Griffith, United Fund campaign chairman, for his effective organization of the U.F. drive now underway in Sedalia and Pettis County. He also recognized Jake Summers, whose name was omitted last week from the list of Rotarians having October birthdays.

Guests, presented by Robert Phillips, were: Lester K. Vandever, Rotarian, Hillsboro, Ill.; Louis Troussart, Brussels, Belgium, guest of Larry Griffith; Dan Garhart, St. Louis, guest of Al Fabry and Bruce Sparling and John Vandekamp, student guests of the club. Invocation was given by Dr. Roy Keller. P. S. Milster was song leader, and Mrs. Lou Tempel pianist.

### Reports On School

Richard Kasak gave a report on the progress of the new school building at the October meeting of Striped College PTA. The meeting opened with the pledge of allegiance to the flag and the devotion was given by Mrs. Gilbert Herrmann.

Mrs. William Tucker and some of her students presented the program.

The Parents and Family Life meeting will be held at the home of Mrs. Max Shirky, Thursday, Oct. 17, at 10:30 a.m. There will be a covered dish dinner.

The parents took a tour of the class rooms after which refreshments were served.

plained the revenue bond situation as it would apply to Sedalia's bond issue. He said that in his opinion, the bonds would have to be extended to the maximum 35-year period, in order to obtain an interest rate that would compare favorably to the 35 cent tax rate, which will be for only 20 years.

These notations in general are answers to questions asked. Space limitations prohibit publication of answers to dozens of specific questions asked and answered.

## • In Other Hospitals

Mrs. Mayme Evans, 1801 East Sixth, is a patient at Boone Co. Hospital, Columbia.

## • Circuit Court

Robert Herring, 16, acting through his next friend, Marie Herring, was awarded a \$500 judgement in Circuit Court Monday afternoon against Fischbach-Moore, Inc. and its employee, Thomas Chumley.

The petition, filed and settled in the same afternoon, was the result of an auto accident Feb. 22, 1963, at the west edge of Sedalia on Route Y involving vehicles driven by young Herring and Chumley.

Wesner, Wesner and Meyer were attorneys for the plaintiff.

## • Police Reports

Gwynn D. Walsner, Washington and Clay, told police a transistor radio was stolen from his car sometime Monday night while the auto was parked at his home.

A left vent glass in the car was broken to gain entrance. Value of the radio was set at \$49.95.

Don Remmer, 1111 Gorrell, reported to police Monday the loss of his Missouri license, YN7-141, Sunday.

Mrs. William R. Janis, 223 East Howard, reported to police Monday the loss of her billfold Sunday near Broadway and Emmett.

Mrs. Ralph Lampton, 1620 South Engineer, reported to police Monday that someone entered her home while she was away Monday and unhooked three doors. Police reported that nothing was taken.

A large hog was rounded up by police at Ohio and Morgan. It was taken to the city dog pound.

Leonard McNeal, 2302 East 16th, reported to police Monday that he had a stray pony at that address which may be identified and claimed by the owner.

## • Marriage Licenses

Ronald Wayne Greer, 1510 East Fifth, and Shirley Ann Priesmeyer, Cole Camp.

## • Accidents

John Curran, Route 5, was treated at Bothwell Hospital Tuesday morning for an injured left hand he received when a jack he was using to place the head on a combine slipped. He was treated by Dr. Stanley Fisher, then released.

Two trucks were involved in an accident about 2:46 p. m. Monday in the 2700 block on West Broadway.

Involved were a 1963 Chevrolet one-half ton pickup, driven south on Industrial Drive by Harry C. Hoffer, 19, 1121 Ware, and a 1963 Chevrolet two-ton truck, driven east on Broadway by Rex A. Thompson, 35, Bruner.

The right front fender, hood and bumper of the Hoffer vehicle and the left front fender of the Thompson machine were damaged.

Police received a report Monday of a hit-and-run accident in the 200 block on East Ninth, which occurred Monday.

Involved was a 1962 Chevy II, owned by Velma Marie Reis, 110 East Saline, which was parked.

The left rear of the car was damaged.

## • Sheriff Reports

A teenage Sedalia boy who left home in the early morning hours Saturday is still missing, it was reported Tuesday morning by Sheriff Emmett Fairfax.

The missing youth was identified as Leroy Burns, of 408 East Second. He is 14 years of age, 5-foot-6 inches in height, weighs 190 pounds, black hair in a crew cut and was last seen wearing a dark blue dress shirt, blue jeans and black slippers.

Any information concerning a boy of this description should be relayed to the Pettis County Sheriff's Department.

## • Other Fires

The Pettis County Fire Department received a call at 1:55 p. m. Monday to the Earl Manuel farm, Route 1, where a grass fire had caused an old barn to start burning. The grass fire had burned out of control before the fire department arrived on the scene, but the barn was saved with only slight damage resulting. Reports indicated the fire started out in an open area, but its cause could not be determined.

At 4:20 p. m. Monday the Pettis County Fire Department used two booster lines to extinguish a grass fire on a vacant lot at 320 West 32nd, owned by Orbis Crouch. The cause of the fire was listed as burning trash. Damage was slight.

Several hundred dollars in damages resulted to scrap cable being used on the Minuteman Missile project when the cable caught fire from a burning trash pile. The fire started to spread to a dry field and the County Fire Department answered the alarm and checked the burning grass, but stood by while the cable fire burned itself down.

The stockpile is located at the back end of the lot being used by the I.T.T. Kellogg Co., on South U. S. Highway 65.

## • Police Court

William G. Salmons, 608 East 26th, charged with driving while intoxicated, pleaded guilty and was fined \$75.

Paul R. Buso, 1312 South Missouri, charged with careless and imprudent driving in connection with an accident, forfeited a \$25 bond.

Marshall Hare, 1201 So. Harrison, charged with disturbing the peace on complaint of Sedalia Hare, pleaded guilty and was given a 10-day jail sentence suspended on good behaviour.

Franklin Morey, Route 3, Windsor, charged with parking on private property, forfeited a \$2 bond.

Jerry W. Smith, Ozark, Mo., charged with speeding 42 in a 30 mile zone, forfeited a \$10 bond.

Ford stationwagon. The Patrol reported Loggins started to pass the Benn car and struck the rear end of the Mercury and Benn lost control of the machine.

The Mercury swerved to the right and off the highway and rolled over several times down a steep embankment and was demolished, according to the patrol. The front end of the Ford was extensively damaged.

Mr. and Mrs. Benn were rushed to the Fitzgibbon Hospital in an ambulance where she died two hours later. Her husband suffered a fractured left leg, fractured left hip and other severe hurts. He survived only about 6½ hours.

Sgt. W. C. Hammerand, of the State Patrol, investigated the accident and issued a summons for Loggins to appear in Magistrate Court.

### Cable

(Continued from Page 1)

brand marketed in Pettis County only by the Orscheln firm. Winge testified, however, that he was not certain how many tires were missing as the records had been kept by a former employee, Richard Stage, one of six persons who was subsequently convicted in connection with the tire thefts.

Golden Copas, 20, 1305 North Grand, who was convicted in the same case, testified the night of April 19 he went to the Orscheln warehouse, stole nine tires and placed them in the car of Ralph Naylor.

Copas said he, Naylor and another youth, Mike Siegel, then "drove around" for a short time, made several stops on Main Street, and then went to Leo's Bar, 213 West Main, where Cable, the defendant, was employed.

Copas testified he asked Cable if he wanted to buy some tires, the two reached an agreement and the tires were sold for \$60 in cash. Copas said he took the money and split it between himself, Siegel and Naylor. Following the transaction, Copas testified, Cable told him to take the tires and place them in his garage.

Cable did not see the tires before the transaction, according to Copas' testimony.

"He asked me if they were good tires," Copas testified. "I told him they're new tires."

Mike Siegel, 310 North Summit, who was with Copas and Naylor, differed in his testimony as to the date of the theft and the amount of money received from Cable. He said the theft was made "about two days before" April 19 and said Cable paid Copas "about \$75" for the stolen tires.

Richard D. Stage, 26, who was sentenced to 90 days in jail on a reduced charge of stealing over \$50 in connection with the theft, testified that on the morning of April 26 in the office of Chief of Police Ralph Hamlin, Cable had identified him as the man who sold the tires to Cable. During later testimony Cable said he lied to Chief Hamlin in identifying Stage.

Stage, Cable and several others implicated in the case were being questioned by Prosecutor Fritz and Chief Hamlin in Hamlin's office on the morning of April 26, it was brought out.

Prosecutor Fritz' interrogation of Stage in regard to a signed statement made by Cable brought the objections of defense counselor Brown and Judge Hayes had the jury sent from the courtroom at 10:45 a.m.

After the jury had departed, Stage concluded his testimony and Cable was placed on the stand.

It was then brought out that Cable had been taken to the office of Saline County Sheriff Steve Rimmer in Marshall where he was to have been administered a polygraph (lie detector) test. Chief of Police Hamlin said Cable had signed a written statement given to Sheriff Rimmer and did not take the test. Cable, however, maintained he had been given the polygraph test.

The jury was recalled at 11:15 a.m. and Richard Stage was recalled to testify for a brief time.

Following Stage to the witness stand were David C. Kelly, 18, 706 East Tenth, who is serving 90 days in jail at present on a conviction in the case; Ralph Naylor, 23, 620 East Tenth, who was also convicted in the case; and Patrolman Lester Williams of the Sedalia Police Department.

Patrolman Williams testified he went to Cable's home the evening of April 25 and after Cable had shown him tires, he picked up "some tires and took them to police headquarters."

Fritz was preparing to ask Williams' testimony toward identifying 17 tires which had been brought to the courtroom as evidence when Judge Hayes called the noon recess.

No. 206 officers are: William C. Bergmann, president; Clarence L. Robertson, vice - president, and Ray F. Hendricks, secretary-treasurer.

## Vermaas Gives Talk Before LaMonte Lions

The LaMonte Lions Club at its night meeting, Monday, heard a talk by Chester Vermaas, Conservation Commission agent, who also presented a motion picture on waterfowl.

Two awards were presented at the meeting by the Lions in connection with their LaMonte Park project. First award of a model 12 shotgun went to Oscar Calvin of Sedalia, and the second award of a short haired registered bird dog went to Don Russell of Missile Manor, in Sedalia. The pup was presented to the Lions for the award by the Cole Kennels in LaMonte.

The Lions Club is endeavoring to establish a new park for the city and is preparing to purchase property for development.

The meeting, held at the Legion Hall, was attended by 49 persons and was presided over by President Ernest Cole. J. H. Briscoe, secretary, made the presentations.

## Mrs. Steffens Chairman Of Rachel Circle

Mrs. Delbert Steffens was elected chairman of the Rachel Circle of St. Paul's Lutheran Church which held its October meeting at the home of Mrs. Kenneth Carville. Mrs. Eugene Viets was elected co-chairman and Mrs. Clarence Monsees, secretary-treasurer.

Following the elections the time and place of the monthly meetings were decided.

Mrs. Kenneth Wallen gave the opening devotional and presented the topic: "Be Filled With Spirit."

The news notes were read by Mrs. Kenneth Wallen and the circle's project for the year, "Soul Winning," was discussed. The names of the circle's shut-ins were also announced.

Mrs. Kenneth Carville, mite box chairman, led the mite box devotion.

The meeting closed with the Lord's Prayer after which refreshments were served by the hostess.

The next meeting will be at the home of Mrs. Richard Erickson on Nov. 13.

## Radiological Class To Start On Nov. 13

A 30-hour radiological instructor course is scheduled to start in Sedalia on Nov. 13, Jack Kraus, director of Civil Defense for Sedalia and Pettis County, said today.

Meetings will be held each Wednesday and Thursday night from 7 to 10 p.m. for five weeks. The course will be presented by the extension service from the University of Missouri.

"The place of the training location will be announced at a later date," Kraus said.

## Three-Month Plague Of Hiccups Finished

ATLANTA (AP) — Just as mysteriously as it started, a three-month plague of hiccups ended for Mrs. Lucy McDonald.

When the 38-year-old mother of three arrived home over the weekend from a month's stay in a hospital, the spasms stopped without any apparent reason.

She sped back to the hospital, but doctors couldn't tell her what halted the hiccups or what started them.

Mrs. McDonald, a soda fountain waitress, had tried almost everything—surgery, countless home remedies and prayer.

### Correction

Lloyd Phillips has been named chairman of the annual Christmas parade with W. C. Cramer and Kenzie Miller as his co-chairmen. It was previously announced Lloyd Williams had been named chairman.

Phillips and his co-chairmen have announced the plans for the parade scheduled for Saturday, Dec. 7, as being complete. "It will be bigger and better than ever," Phillips said.

### UCP

(Continued from Page 1) are children. Every year, 10,000 babies are born with cerebral palsy in the United States.

A contribution to the Sedalia-Pettis County United Fund will aid greatly in giving a cerebral palsied victim opportunities to establish a more normal way of life.

### Area Man

(Continued from Page 1) might be derailed and I applied my emergency brakes when I heard the word truck. The lines were all torn loose on the left side of the diesels, and the emergency would have automatically applied immediately even if I had not applied the emergency brakes."

Fireman Golden and Brake-man Sartor both agreed they saw the truck approaching from the south while the diesel was approximately two or three poles from the crossing, but it was too late then to stop the train, which was going between 50 and 60 miles an hour.

Golden said from his observation the driver of the truck was traveling about 30 to 40 miles an hour. There was no appearance he was going to stop. "Lisler had the horn wide open for the crossing," Golden said.

Tom Mason, conductor from Jefferson City was in the caboose of the train at the time. He said they had 29 cars in the train.

The train came to a stop, with the caboose west of the scene about a half train length from the crossing.

Otis Rittman, who resides south of the crossing on the west side of the highway, said he had just gone out front to sit down when he heard the horn, then a crash and looked up in time to see the truck flying through the air. "I saw smoke and rushed into the house and called for the Knob Noster fire truck and they arrived a few minutes later at the scene and extinguished the blaze," Rittman said.

It was pointed out the accident occurred in Pettis County's half of the highway and ended up in Johnson County, west of the highway.

The Moore Funeral Home ambulance went to the scene and took the body back to LaMonte. Later in the evening it was sent to the Reed Funeral Home in Camden, Mo.

Molt formerly resided at Montreat, Mo., about seven miles southeast of Camden, and with his wife recently moved to Sweet Springs in a trailer and were living at the Cunduff Trailer Court.

He had started to work with the truck and for Menefees' last week.

Railroad officials said damage to the two diesel units was extensive. So badly were they damaged they could not continue on the run under their own power. The engine of Missouri - Pacific Eagle No. 17 with Engineer G. W. Long was disconnected from the passenger train at the scene and pushed the freight train and two disabled diesels to a siding in Knob Noster, then returned, picked up the passenger train and continued its run on into Kansas City.

An engine being used with a work train in the Sedalia area was called upon and went to Knob Noster, and took the freight diesels on into Kansas City.

By THE ASSOCIATED PRESS WASHINGTON (AP)—In the news from Washington: JOINT SPACE VENTURES: The head of the nation's space program says security considerations and technological problems rule out the possibility of joint U.S.-Soviet moon flights in the foreseeable future. But James E. Webb, administrator of the National Aeronautics and Space Administration, said it may be possible for the two nations to cut costs by sharing scientific experiments after both land on the moon. Webb made his remarks Sunday during a recorded television-radio interview with Sen. Kenneth Keating, R-N.Y.

President Kennedy proposed a joint U.S.-Soviet moon flight in a United Nations speech Sept. 20, but Russia has shown no interest in the proposal.

WHEAT FOR RUSSIA: Secretary of Agriculture Orville L. Freeman expects a Soviet delegation to arrive within a week to 10 days to discuss terms for buying American wheat.

Freeman was interviewed Sunday on ABC's "Issues and Answers" radio and television program.

VIET NAM TIMETABLE: South Viet Nam's former ambassador to the United States warns "there is no possibility at all of victory over the Communists" under the regime of President Ngo Dinh Diem.

Interviewed Sunday on the CBS television program, "Face the Nation," Tran Van Chuong made the comment when asked about predictions by two top U.S. defense officials that the war against Communist guerrillas can be won by the end of 1965.

## EDITORIALS

## Courtesy on the Sidewalks

We have discovered a cousin to the bird-watcher. He is the person who observes the idiosyncrasies of Homo sapiens. In this capacity he has discovered more and more people are walking on the wrong side of the sidewalk.

Not having noticed this we made a spot check of Ohio avenue but it must have been an off day for the left-lane oddballs who require you to move to the left to let them pass on your right.

Great balls of fire, we dread to anticipate this leftist movement taking hold in Sedalia. Already yet, we haven't adjusted to the wandering pedestrian traffic movement in the vicinity of Smith-Cotton High and the grade schools at dismissal time, or after the football games here or in Columbia.

Somehow these eccentric movements are acceptable at mass-attended functions where among the walkers it's everyone for himself going different directions, bumping bodies, stumbling over feet or skirting the immobile talker groups.

Barely related to this is the mass exodus of youngsters from the schools, walking, running two or three abreast on the sidewalks, completely oblivious

of adult pedestrians going an opposite direction who would like use of the sidewalk, too, but who must step aside for the over-eager children.

Forcing adults to hit the grass is not so much deliberate discourtesy on the part of youngsters, as it is thoughtlessness. Bicycle riders on the sidewalks are in the same category.

Even so, sidewalk behavior is a subject the home conversation as it pertains to the supercendence of elementary courtesy over thoughtlessness in the matter of letting others share the sidewalks. Some students of old Sedalia High school recall how Principal Martha Letts lectured about it. Of course this may be considered as old-fashioned today in the schools, as it is in the home.

Yet if we could divert more youngsters to reading books instead of looking at tv so much it is likely they might be influenced by such gems of wisdom as inscribed by Lord Chesterfield:

"Politeness and good-breeding are absolutely necessary to adorn any, or all other good qualities or talents . . . the scholar without good-breeding is a pedant; the philosopher, a cynic; the soldier, a brute; and every man disagreeable."

GHS

## Washington Merry-Go-Round

## Cassius Misses Posing With Emperor

DREW PEARSON

WASHINGTON — When Emperor Haile Selassie of Ethiopia was visiting Philadelphia, his entourage occupied an entire floor. It included local police, secret service, and his own security officers. In the afternoon, the latter came to see Al Lewitt, who was masterminding the Emperor's trip, and said they had two callers they didn't know how to handle.

Lewitt went to see them and found two giant negroes.

"I'm Cassius Clay," said one of them. "We want to see the Emperor."

"Are you really Cassius Clay," countered the flabbergasted Lewitt, not sure he was really talking to the "Louisville Lip."

Cassius convinced him that he was bona fide, and Lewitt asked what he wanted to see the Emperor about.

"If he has his picture taken with me I thought it might do him some good," said the big boxer from Louisville.

"You mean it might do you some good," suggested Lewitt.

"No, I thought it might do him some good," insisted Cassius.

The Emperor was not unwilling to pose with the heavyweight contender, but he was then absent visiting a housing project. When he returned, his schedule was jam-packed and he had to leave the next morning so early that he never had a chance to let Cassius Clay do him some good.

## People With A Heart

It's long been known that people of the theatrical world have a heart. This week the Motion Picture Theater owners of New York are proving it once again by helping raise money for the bombed church in Birmingham and to combat bombs and bigotry in general.

They will show a short film written by Dore Schary, the famed motion picture producer, appealing for funds on behalf of America's Conscience Fund. This is the fund co-chaired by Gov. Pat Brown of California and Charlie Taft of Cincinnati, which includes Harry Truman, Averell Harriman, and many other distinguished Americans, to try to repair the damage both to churches and people in Birmingham and to build better relations.

The Theater owners who have put their hearts ahead of their pocketbooks are: Harry Brandt of the Brandt Theaters, Max Cohen of the Cinema Circuit, Harry Mandel of RKO, Dr. John Phillips, executive director

JERRY DOYLE, PHILADELPHIA DAILY NEWS

## The World Today

## Rap Driver Training Requirement

By J. W. DAVIS

WASHINGTON (AP) — Over the weekend the National Education Association came out against the practice of state legislatures requiring high schools to provide driver training.

At first glance, this looked something like opposing good manners, good sportsmanship or good health.

It wasn't at all. The NEA, an organization of teachers and school administrators, has no objection to boys and girls learning how to drive safely.

What happened was this: An NEA-sponsored report said the role of the legislatures is to set forth general goals and provide financial support. It said decisions on what to teach should be left as much as possible to local school faculties.

An NEA spokesman said the recommendation was adopted because some state laws require courses on such things as communism and state history and several states require high schools to provide driver training.

The American Automobile Association, which has pioneered in the work, reports that youngsters who have had driver training have fewer accidents and traffic law violations than those who haven't had it.

The Automotive Safety Foundation puts it this way:

"High school driver education offers a tested opportunity to improve the bad accident record of the teen-ager. The program is on a plateau and needs aggressive support so that more youngsters in more schools can have the benefit of training."

"The under-20 group has about 6,400 accidents a day at an estimated cost of about \$1 billion a year."

"They account for only 7.1 per cent of the licensed drivers but 6,600 of them were involved in 13.2 per cent of the fatal accidents in 1962."

Last year about 3.1 million young people reached driving age. Of these, 1.31 million, or 42 per cent, were enrolled in

driver education courses. The percentage has been about the same since 1955.

As the nation's population increases so will the number of drivers. However, the number of young drivers will increase

more rapidly than those in other age groups.

It's a sobering thought to anyone who witnesses wild driving by young people, or has to pay the extra-high insurance rates that such driving demands.

## Polly's Pointers

## A Yarn for Knitters

By POLLY CRAMER

Newspaper Enterprise Assn.

DEAR POLLY — and other knitters — use an empty olive jar, the long thin kind. Place about five or six inches of yarn inside the bottle, screw the cap tightly and then start winding the yarn horizontally around the bottle until you have a nice base of three or four yards of yarn. Then start winding vertically over this base, slowly revolving the bottle between the thumb and forefinger of the left hand. Wind the last yard or two horizontally again and slip the end under. Remove the bottle cap, push the ball gently off and you have a perfect ball for knitting that has a center pull. You do not have to wind loosely because the ball loosens up when removed from the bottle and your yarn will never be stretched.—MRS. J. R. McC.

DEAR POLLY—To save time when cutting nylons for knitting those gorgeous sweaters, insert a rolled up magazine in the stocking top. This firm surface makes the cutting much easier.—MRS. G. B.

GIRLS—Mrs. G. B.'s suggestion has been a great help to me. I use a magazine that has a dark cover in contrast to the bleached-out, light stockings and find it much easier to cut the straight strips. Also a rolled up newspaper is good and even lighter to keep turning as you cut.—POLLY

DEAR POLLY—To achieve a different and pleasing effect in any room in the house, paint the walls off-white or cream and then paint stripes in the following manner. Take strips of masking tape and put them on

the wall (after it is THOROUGHLY dry) from floor to ceiling, about two inches apart. When the strips are up, paint the wall that is showing any contrasting color you desire. Any that strays over on the tape will come off with the tape and you have a smart striped wall. This looks very good in a kitchen or bathroom.—L. T.

GIRLS—Do be sure the original paint is really dry, pat the masking tape on gently and no paint from the wall should adhere to it when removed.—POLLY

DEAR POLLY — When I am inserting a zipper in a garment I baste it in first with thread of a contrasting or different color. Then when I am ready to stitch it, I have a visible straight line to follow. When I wash my nylon stockings, I always hang them by the tops and drop a marble in each toe. This keeps them from blowing and getting wrapped around the line. If it is a very windy day I drop two marbles into each toe.—MRS. L. S. Y.

GIRLS—Please remember to always sign your full name and address. When only initials are signed the hint cannot be used as we do not know to whom the dollar should go.—POLLY

Share your favorite home-making ideas . . . send them to Polly in care of the Sedalia Democrat - Capital. You'll receive a bright, new silver dollar if Polly uses your ideas in Polly's Pointers.

## New Industry Offers Help For Smokers

By JACK LEFLER

AP Business News Writer  
NEW YORK (AP)—A new industry has emerged with the aim of helping smokers quit smoking.

With some medical authorities linking smoking with cancer and other diseases, the urge to quit smoking has grown. But paradoxically, the sale of cigarettes has increased, too.

The smoker who wants to give up the habit can find an increasing number of aids in book and drug stores, where sales of anti-smoking products have grown into a big business.

Book stores stock such volumes as "The Painless Way to Stop Smoking," "The Consumers Union Report on Smoking and the Public Interest" and "Smoking and Health."

Drug stores sell such items to help stop smoking as "Nikoban," manufactured by M. R. Thompson & Co., Crawford, N. J.; "Ban-Smoke" chewing gum, Thompson Medical Co., Inc., New York; "Bantron," Company, Corp., Batavia, Ill., and "No-bacco," Approved Pharmaceutical Corp., Syracuse, N.Y.

Tobacco manufacturers report that sales of cigars and pipe tobacco are increasing. Some med-

## The Well Child

## Sleep Can Be a 'Grind,' But No Cause for Worry

By Wayne G. Brandstadt, M.D.  
Newspaper Enterprise Assn.

When a child grinds his teeth in his sleep, grandmothers believed that this was a sure sign that he had intestinal worms. We know now that this is not so.

A child may grind his teeth when he is sick with one of the childhood fevers, or it may be nothing more serious than an exciting dream. If dreams are the cause, no treatment is needed—but you may want to get a pair of earplugs for yourself.

If the grinding becomes habitual, excessive wearing down on the teeth may occur. Two New York dentists, Doctors L. M. Gecker and R. B. Weil, have devised a plastic "night splint" to protect the teeth and gums of chronic grinders. The splints can be made for persons of all ages. Some adults are teeth grinders, too.

Q—My 11-year-old son had a serious illness that resembled a combination of diphtheria, pneumonia and smallpox. Our doctor called it Stevens - Johnson syndrome. What causes it and will it recur?

A—Your son had a very serious type of skin disease, a severe form of erythema multiforme. This may occur as a part of a food allergy or of such infections as measles, spinal meningitis and pneumonia. There are other causes, but they could not apply to your son. In addition to redness, hemorrhagic spots and blisters in the skin, serious damage

sometimes occurs in the internal organs as a result of this disease. Recurrences are rare.

Q—What could cause my 6-year-old daughter to have a vaginal discharge? What can I do for it?

A—In a 6-year-old child this is most likely caused by infection with trichomonas, threadworms or thrush. Have your doctor find the cause and he will be able to prescribe appropriate treatment.

Q—Children who attend school with my children sometimes have impetigo, ringworm, scabies or head lice. Shouldn't they be sent home so as not to spread these conditions to the rest of the class?

A—While none of the conditions mentioned is serious, it is true that all of them can be spread by contact and this should be prevented. This is a matter that should be taken up with the school principal, school doctor, or school nurse.

Q—Would it be advisable to add powdered brewer's yeast to an infant's formula as a source of the B vitamins? If so, how much should be given?

A—Brewer's yeast is an excellent source of the vitamin B complex. If an infant has any signs of vitamin B deficiency, the addition of brewer's yeast to the formula would be advisable. Otherwise I would leave it up to your pediatrician whether to give it and how much to give.

## Educated Palate

## College Brings On Change In Son's Dietary Choice

By JOY STILLEY

NEW YORK (AP) — We sent our son off to college to educate his mind. But what seems to have gotten educated is his palate.

For the first 17 years of his life, Brenn's taste in food was simple—and definite. A firm believer in togetherness, he wanted everything cooked separately, served separately and eaten separately.

He liked meat, he liked potatoes and he liked vegetables. But put them all together in a casserole and he turned forks down. Peas — fine; carrots — great; peas and carrots — no thanks.

In fact, he used to erect invisible barriers on his plate between the various foods. He'd finish one item before starting the next and would even surreptitiously wipe his fork on his napkin in between if he thought I wasn't looking.

It was with misgivings that we placed his dietary fate in the hands of dormitory cooks 1,600 miles away.

Instead of the expected "save our son" messages and urgent requests for CARE packages, we received glowing reports on

the quality and quantity of the food.

The cafeteria was operated under a point system, with each resident entitled to 20 units per day. Breakfast was to use four units, lunch 7½ and dinner the remaining 8½. Every dish had a unit value.

By the time Brenn got through figuring out how to get the choice of foods and points per meal within hailing distance of each other he must have worked up quite an appetite.

Gradually references to food crept into his letters: "He and some other fellows had gone out for pizza; the tuna fish salad was tasty; he liked the chicken pie."

Even so, I wasn't quite prepared for his homecoming. We had meatballs and spaghetti for lunch, and as usual I had cooked his separately, spaghetti uncontaminated by sauce.

"Mother," said Brenn in disgust, "Why don't you mix this stuff all up like they do at school and put a whole lot of sauce on it. Must you cook everything so plain?"

Hal Boyle is on vacation.

## We the Women

## Don't Be Too Practical

By RUTH MILLETT

Newspaper Enterprise Assn.  
There is such a thing as a woman being too practical. A woman is too practical when:

She returns a bit of extravagant fluff her husband has given her for a birthday gift in order to get something she really needs.

She tries to influence her husband to keep a job he hates instead of trying something new because quitting the job involves some risk.

She never entertains people just because she wants to enjoy an evening with them, but confines her entertaining to "repaying obligations" and "entertaining for business reasons."

She keeps on pinching pennies when it is no longer necessary and when her husband would much prefer for her to have the things he can well afford to provide.

She resents the money her husband spends on a hobby.

She burdens herself with an accumulation of junk because whenever she is tempted to throw anything away she thinks, "I might be able to use it some day."

She decides that a dog or a wood-burning fireplace or a flower garden or something else

ical sources hold that smoking cigars and pipes is not as harmful as cigarettes.

The vending machine industry is acting to make its wares less available to minors. The machines are being moved from locations easily accessible to youngsters.

Cigarette advertising is being specifically aimed at adults. Tobacco ads have been withdrawn from college publications.

JURIST — Lord Denning, author of the report on the security aspects of the Profumo scandal, wears wig and stock as he attends the Law Courts service in Westminster Abbey.

## Adenauer Era Of 14 Years Ends Tuesday

BONN, Germany (AP)—Konrad Adenauer, 87, steps reluctantly out of office Tuesday after more than 14 years as the first and only chief executive of the West German Federal Republic.

The Adenauer era has brought most of this country from the depths of disaster and disgrace following World War II to strength and prosperity. But Adenauer leaves behind a lingering problem — West Germans still are separated from 17 million fellow countrymen who are under Communist rule.

Adenauer's friends say he is responsible for the strength and prosperity and that the Soviet Union has frustrated his efforts to reunite Germany. His enemies say strength and prosperity would have come anyway, and accuse Adenauer of helping prevent reunification, a serious charge in German politics.

Adenauer's major accomplishment has been to tie West Germany closely to the West. It was Adenauer who in 1950 first offered the Atlantic Alliance a West German army, despite strong opposition among many Germans to rearmament.

In 1952 Adenauer rejected a Soviet offer to reunite Germany on condition it remain neutral.

Adenauer has lived his political career in the framework of responsible parliamentary democracy. Under his strong leadership, this form of government has lasted longer than the Weimar Republic, which followed World War I, or Adolf Hitler's "Thousand Year Reich."

Adenauer, who will be succeeded as chancellor by Economics Minister Ludwig Erhard — a man he has publicly opposed — claims as the crowning accomplishment of his rule the friendship treaty he signed last January with President de Gaulle of France. Germany, he says, has at last become reconciled with its traditional enemy.

Adenauer's critics dispute his optimism. De Gaulle, they contend, is supporting West Ger-

**IDENTIFIES HIMSELF** — Earl Maza, national political correspondent for the New York Herald Tribune says he was newsman mentioned in one instance by New York Governor Rockefeller, who implied that the Kennedy administration tried to intimidate two newsmen. Rockefeller brought up the subject, Oct. 12, at a luncheon at French Lick, Ind. (AP Wirephoto)

many's relationship with the United States and Britain.

Adenauer has little interest in economics. Many West Germans credit their country's reconstruction and prosperity to Erhard, 66, who has headed the Ministry of Economics since the end of World War II.

Erhard starts as chancellor under heavy handicaps. One is Adenauer's low opinion of his political ability. Adenauer intends to remain in politics as chairman of his party and member of parliament. He probably will do a lot of public prompting.

Erhard has promised a different style of government. The old chancellor ran things himself and made all major decisions on foreign policy. The Erhard cabinet will be more a committee of equals, with a chairman not much interested in foreign affairs. There are many misgivings about how this will work in a country accustomed to one strong hand.

In the fall of 1965, Erhard faces elections. The opposition Socialists, on the basis of public opinion polls, already claim to have become the strongest party in the country.

Erhard also has to worry about relations with the Free Democrats, a smaller party which has formed a coalition with his Christian Democratic Union. The Free Democrats hold the balance of power and could topple Erhard's government by switching allegiance to the Socialists.

## World News In Brief

By THE ASSOCIATED PRESS

CARACAS, Venezuela (AP)—Police and pro-Communist terrorists fought a brief battle at a fashionable outdoor cafe Sunday while dozens of customers threw themselves on the ground for protection.

There were no injuries, but several bullets shattered the glass window of a nearby supermarket owned by New York's Gov. Nelson A. Rockefeller.

Police captured two terrorists and said they were Communists and university students. Authorities said they were members of a gang of 15 men and two women who staged a daring attack on a suburban police station in Baruta an hour earlier.

Another member of the gang was wounded and captured outside the police station. The other terrorists escaped.

BERLIN (AP)—A large U.S. Army convoy cleared without trouble through the Soviet checkpoint Monday enroute back to West Germany.

The convoy consisted of 26 vehicles with 149 men. It cleared through the checkpoint at Babelsberg, outside West Berlin, in 36 minutes.

It was understood that the troops dismounted to be counted by Soviet officers before proceeding along the 110-mile superhighway connecting the Communist - surrounded city with West Germany.

If a convoy carries an unusually large number of troops, the commander usually lets the Soviets count individually the men as a courtesy to speed up movement. But the convoy the Russians delayed last weekend consisted of only 18 vehicles with 61 men, and the convoy commander refused to let his men dismount and be counted.

HEIDELBERG, Germany (AP)—A U.S. Army private who fled to Communist East Germany was scheduled for discharge for undesirable conduct, the Army says.

An Army spokesman said Pvt. Heinrich James Newton of the Virgin Islands had been absent without leave from an engineering unit at Karlsruhe since Oct. 5. He was to report for discharge Oct. 10. No further explanation of the reason for the discharge was given.

The East German news agency ADN said Saturday that Newton had asked for political asylum.

NEW DELHI (AP)—India has rejected as "purely propagandistic" a new Communist Chinese offer to discuss the border dispute between the two nations.

A government spokesman said Premier Chou En-lai offered in a note Oct. 9 to come to New Delhi for talks but the Chinese note "in both its tone and contents indicates no desire of any kind to solve border differences by peaceful methods," the government added.

Dr. Fred McKinney

## Dr. McKinney Credit Union Meet Speaker

Dr. Fred McKinney, professor of psychology at the University of Missouri, Columbia, will be the speaker at the annual West Central Chapter Credit Union Day dinner which will be held at 7 p.m. Thursday, at the Masonic Temple. He will take as his subject: "Getting Along With People."

A native of New Orleans, Dr. McKinney earned his way through high school and Tulane University by working in the advertising department of the New Orleans Item - Tribune, from where he received his bachelor's degree and master's degree, and then attended the University of Chicago, which in 1931, conferred on him a Ph.D. degree.

During World War II he was a research associate with the national defense research committee, working on the radar program of the Army and Navy, was author of "The Psychology of Personal Adjustment," co-author of a book on personal adjustment for teenagers, "You and Your Life," and has published numerous widely - used scientific pamphlets, booklets and articles. A book for counselors in schools and colleges is being published by Houghton-Mifflin for April, 1958, entitled "Counseling for Personal Adjustment."

A former associate editor of the Journal of Education and Psychological Measurements, Dr. McKinney at one time edited the newsletter of the American College Personal Association, and now is associate editor of the Journal of Consulting Psychology.

Dr. McKinney is a diplomate of the American Board of Examiners in Professional Psychology, was secretary-treasurer of the Missouri Association for Mental Hygiene in 1936-38; a member of the Council of the American Psychological Association, 1945-49; president of the Midwestern Association of College Psychologists, 1946-47; president of the Missouri Psychological Association, 1948-49; chairman of the Conference of State Psychological Associations and in 1957 elected president-elect of Division 2, Division of the Teaching of Psychology, of the American Psychological Association.

A Personality Clinic as part of the Student Health Service at the University in 1935, and three years ago began a television program on KOMU-TV entitled "Not In Our Stars."

Monty McQuitty, president, will preside at the dinner. The West Central Chapter Credit Union comprises 13 counties with 5,000 members.

## Says Court Is Ducking Its Job

WASHINGTON (AP)—Justice John M. Harlan, in effect, told his Supreme Court colleagues Monday they are ducking responsibility and paving the way for reopening criminal cases long since settled.

The question is whether the lower courts are to apply retroactively the high court's ruling of last March that state, as well as federal, courts must provide an attorney for persons charged with a crime if they are too poor to hire lawyers and if they request such help.

Harlan told his fellow justices: "In the current swift pace of constitutional change, the time has come for the court to deal definitively with this important and far-reaching subject."

But Harlan stood alone in protesting an order by the other eight justices setting aside judgments in ten Florida cases and directing the Florida Supreme Court to reconsider them in line with the March decision. It is now up to the Florida tribunal to say whether the rule applies retroactively.

Harlan's admonition to his associates was the only controversial aspect of an opening day which saw the court refuse to accept 550 cases appealed to it while granting hearings on only 21 new cases. In addition, it denied rehearings on 70 cases already decided.

Integration cases figured prominently in the day's actions. After handing down the hundreds of orders which determine the calendar for the coming term, the court began at once to hear arguments on one of the most important questions before it:

Can the operator of a private

er of the Missouri Association for Mental Hygiene in 1936-38; a member of the Council of the American Psychological Association, 1945-49; president of the Midwestern Association of College Psychologists, 1946-47; president of the Missouri Psychological Association, 1948-49; chairman of the Conference of State Psychological Associations and in 1957 elected president-elect of Division 2, Division of the Teaching of Psychology, of the American Psychological Association.

A Personality Clinic as part of the Student Health Service at the University in 1935, and three years ago began a television program on KOMU-TV entitled "Not In Our Stars."

Monty McQuitty, president, will preside at the dinner. The West Central Chapter Credit Union comprises 13 counties with 5,000 members.

**FARM BUREAU QUEEN**—Miss Sherry Lynn Hoos, daughter of Mr. and Mrs. Fred Hoos, Hughesville, was crowned Pettis County Farm Bureau Queen, at the annual meeting of that organization on Oct. 12, by the president, Matt Green III. Miss Hoos will be Pettis County's candidate in the Missouri Farm Bureau Queen contest which will be held later in Jefferson City.

## Over Dozen Effigies Of Tito Are Hung

LONG BEACH, Calif. (AP)—More than a dozen effigies of Yugoslavia's Marshal Tito were hung Sunday night from flag poles, bridges and public buildings here and in nearby areas.

The Communist leader is due to visit California this week at the invitation of Gov. Edmund G. Brown. A group calling itself the Committee Against Communist Tito has been trying to arouse public indignation over the visit.

business refuse to serve a Negro, summon police and invoke trespass laws when the Negro refuses to leave?

Five cases touching on this point—two from Maryland, two from South Carolina and one from Florida—are being heard Monday and Tuesday. Decisions probably will not come for some months.

## Technical Problems Force Cancellation Of New X15 Flight

EDWARDS AIR FORCE BASE, Calif. (AP)—Technical problems forced cancellation Monday of an attempt to fly the X15 rocket plane for the first time with its tall tail honed sharp to split the wind.

Air Force Maj. Robert Rushworth called off the flight 15 minutes before he was scheduled to drop away from the B52 mother ship. Engineers said the trouble was a malfunction of

X15's inertial guidance system. No date was set for the next attempt.

The leading edge of the X15's vertical tail fin had been sharpened to allow air to flow around the fin more smoothly.

## After Weekend Upsets

Texas Takes No. 1 Spot  
In Poll of College Teams

By JOHN CHANDLER

Associated Press Sports Writer

The Texas Longhorns, who've worked their way up step by step, took over the No. 1 spot today in The Associated Press poll of the nation's college football teams, leading a wholesale shuffling resulting from last weekend's stunning upsets.

The Longhorns finally climbed into the top spot by knocking off Oklahoma 28-7 Saturday. The Sooners had been rated the No. 1 team in the country going into the game.

Texas, rated No. 5 in the pre-season balloting topped by 1962 National Champion Southern California, made the top after moving a step at a time up the ladder. The Longhorns were fourth in the first regular poll, third in the next, and second a week ago. Oklahoma, leader for the past two weeks, skidded to No. 6.

The Special panel of sports writers and broadcasters gave Texas 51 of 55 first place votes, after wading through the weekend wreckage that showed defeat for five of the teams in last week's Top Ten.

Besides Texas, the only other winner among the elite was Wisconsin, which beat Purdue 33-20 and jumped from fifth to second. Wisconsin got the four-

Wilt-Ream Win  
Golf Tourney  
Over Weekend

The team of Jack Wilt and Winston Ream captured the week-end Lions Golf Tournament at Elm Hills with a score of 32-37—69 for the 18 holes played.

Wilt and Ream, who received a trophy for their effort, came out first in a field of 15 teams.

The teams of Kenneth Leslie and Jack Pasley, and Bill Raumaker and Monty Bascall, with scores of 70 each, tied for second, while the teams of John Ellison and Bob Cummins and Don Weller and Chuck Wendt, tied for third place with scores of 71 each.

Harry Tunney, Warrensburg, won a billfold by coming closest with a shot to the pin on the seventh hole.

The Lions Club derived \$55 from the tournament, and the funds will go into the Lions' Athletic Fund, used to support and sponsor teams in Little League and local soccer circles.

6. Oklahoma	191
7. Illinois	147
8. Georgia Tech	146
9. Alabama	145
10. Tie, Navy and Northwestern	103

Others receiving votes, listed alphabetically: Air Force, Arkansas, Army, Auburn, Baylor, Duke, Florida, Iowa, LSU, Mississippi State, Missouri, Nebraska, Notre Dame, North Carolina State, Oregon, Penn State, Southern California, Southern Methodist, Syracuse, Washington.

## Not Really Fast

Writer Rode With  
P-Parnelli Jones

SEATTLE (AP)—I rode r-r-recently with P-P-Parnelli J-J-Jones.

"Don't bother with a helmet," said Rufus Parnelli Jones. "You don't need it." The quiet confidence of the man who won the Indianapolis 500 and the Pikes peak hill climb was so reassuring I lowered my voice — and asked for a helmet.

I happened to know that, for all his fame, Parnelli Jones never had driven in a sports car race. Perhaps Parnelli should have been nervous, too. His passenger never had ridden in a racing sports car.

There it was at our feet, looking something like a red bathtub made for a small person who liked privacy.

Rufus Parnelli Jones scooped down into the cockpit and motioned for me to join him. One requirement of the racing sports car is that it have two seats, but that ends the specification. My seat must have had an honorable career as a scoop shovel before losing its handle.

We learned immediately there was room for only three legs under the hood, and I insisted politely that Parnelli keep both his inside in case they were needed for acceleration and breaking. I got my right leg completely in. The left made the trip masquerading as a bent pin. I could peek around the knee and see through the four-inch-high windshield whenever I dared.

Away we went. Racing being over for the day, things were rather informal at the track. Cars were crossing from the infield but a traffic officer gave us a gap and we romped into the first turn with our Coventry Climax power sounding like a stirred-up hornet's nest as Jones walked on the gas pedal.

It was then I discovered an oversight. Parnelli's upholstered seat was equipped with a safety belt. My scoop shovel wasn't. I felt airborne.

As we made the first huge loop my left hand sought something to grip and found only a too-hot pipe. I was scratching for fingernail purchase when we plunged down a hill and the

world's nastiest double-hairpin curve loomed dead ahead.

We downshifted; Parnelli calmly, I desperately; and I felt rather proud that I got us around that big S without a steering wheel or stick shift of my own. In the process I located a hole in the dash-board just large enough for my right forefinger.

Safely anchored now as we toiled over the backstretch hills, I was beginning to enjoy it when Parnelli touched my knee and pointed ahead. Puttering down the middle of the track was a man on a small motorbike. He cast a startled look over his shoulder and zigged. We sagged.

I let my breath out slowly but had to reclaim it with a gasp as we whipped around the final turn into the home stretch.

And went around again. This time the bends and lifts and drops were familiar but Jones boosted the RPM and slammed into the turns with the gears growling and came out with the Lotus trying to run from under us.

As we pulled to a stop I asked Parnelli what our top speed had been and he shrugged. "Aw, it wasn't very fast." Honestly it was at least.

Aw, you'd never believe it.

Weekend Vote Set  
For Auto Strike

KANSAS CITY, Kan. (AP)—Members of the United Auto Workers local 31 will vote Friday and Saturday on whether to strike against the Oldsmobile-Pontiac division of General Motors in the Fairfax district.

The local president, Robert J. Soptic, said the dispute is over work loads resulting from model changes. There is no issue over wages.

About 3,200 members are eligible to vote, Soptic said.

If a strike is voted, he said, approval must be obtained from the union's international headquarters in Detroit. There must be a five-day waiting period before a strike can begin.

Dismissal, Injury  
Creates Attention

By THE ASSOCIATED PRESS

The dismissal of halfback Joe Don Looney from the Oklahoma squad, a knee injury to quarterback Dennis Claridge of Nebraska and injuries to five linemen at Kansas caused the most attention at Big Eight football camps Monday.

Smith-Cotton  
Sophs Lose  
To Columbia

By Ronnie Cowan

The Smith-Cotton Sophomore Tigers endured their second setback in the same number of decisions. Monday night at the hands of the Hickman High School Kewpies, Columbia. The final score of the contest was 25 to 0 in favor of Hickman.

Columbia, winning the toss of the coin, elected to receive and took the Tiger kickoff to their own 34 yd. line from which they were able to get a first down. The Tigers held the Kewpies on next four plays, forcing them to punt.

The Bengals weren't able to get first down either and Columbia returned their punt to their own 44 yard line. However, a personal foul was called against the Kewpies, and the Tigers got a first down from the fifteen yd. gain. After three unsuccessful plays the Tigers sent end, Butch Rozier, after a pass, but it was short of a first down.

After taking a Columbia punt to their own 27 yard line, the Tigers tried to gain ground with a long pass. Columbia intercepted for first scoring opportunity for the Kewpies, who sent their quarterback, Purdy, over the Tigerline into pay dirt.

In the third quarter, Hickman took the Tigers by surprise when a double reverse and a pass were completed. Pass receiver Anderson, went into the end zone unattended by Tigers defenders. The conversion attempt was a failure due to the block of the kick by Tiger guard, Jim Levelin.

The red-hot Kewpies scored twice more in the final period. The first came when, after a series of first downs, the Columbians took the ball five yards from the Tiger goal line, and Kewpie halfback, Anslin took it across the line for the touchdown. The try for extra point was off to the side of the goalposts. The last Kewpie score of the game occurred when Columbia recovered a Tiger fumble and completed a pass to Anslin who went across for the score. Again the conversion failed to split the uprights.

The Sophomores play their next game at Jennie Jaynes Stadium against the Jefferson City Jays on Monday, November 4 at 7:00 in the evening.

## Others Say Different

Director Calls It  
A 'Sleeper Play'

ATLANTA (AP)—Tennessee Athletic Director Bob Woodruff calls it a "sleeper" play. Georgia Tech Athletic Director Bobby Dodd says Tennessee's defense just went to sleep.

Charges and counter-charges are flying in what is developing into the Southeastern Conference's biggest football controversy since the famous Paul Bryant - Wally Butts telephone call.

The object of the furor is a 54-yard touchdown pass play in Georgia Tech's 23-7 victory over Tennessee in Knoxville last Saturday.

The play came about in this manner. Tech end Ted Davis did not return to the huddle after

a pass from quarterback Billy Lothridge fell incomplete. The Tennessee defense did not notice him and on the next play he was alone to receive Lothridge's pass for a touchdown to put Tech ahead 13-0 just 25 seconds before the first half ended.

On Sunday Woodruff filed an official protest with Southeastern Conference Commissioner Bernie Moore, charging that Georgia Tech deliberately violated the rules which require a player to return to within 15 yards of the ball after a play. Woodruff said the complaint was "our responsibility when rules or ethics are violated without the officials on the field taking action."

Jim McDonald, Tennessee head coach, charged that the play not only violated a rule but violated a "gentlemen's agreement" among SEC coaches not to use a "layout man" or "sleeper" to confuse opponents. Dodd got his dander up when he read about the protest. Calling Woodruff "the worst public relations man in the football profession," he charged that Tennessee was trying to ease the sting of defeat and take away from Tech's victory. He emphatically denied that Tech uses a "sleeper" play.

"I wonder if Woodruff has realized we could give him the touchdown he calls 'unethical' and give him one more, and still have beaten his Tennessee Vols 10-7," Dodd said. Tennessee is Dodd's alma mater.

The Tech coach pointed out that one official was near the play and saw Davis line up for the pass. "It was his judgment that Davis had come back to within 15 yards of the scrimmage line," Dodd said.

Two-Car Train  
Keeps On Going  
Despite a Fire

HUTCHINSON, Kan. (AP)—A 2-car Santa Fe passenger train called the Doodlebug, caught fire Monday night five miles east of Hutchinson but managed to reach help.

Each of the two cars has its own power supply and can operate singly.

Engineer Pearl Kline, Dodge City said fire broke out in the engine of the front car, but he kept the train moving.

At the edge of Hutchinson, the crew yelled to someone along the tracks to call a fire department and have a fire truck sent to the depot.

The train broke down before getting there, however, and the firemen had to scurry 10 blocks along the tracks to put out the blaze.

SAME ROUTE SAME LOAD  
5 GALLONS SAVED A DAY

"When you can run a truck over the same route with the same load and save four to five gallons of gasoline doing it, you've got a good truck. That's what we've got in our four new Dodge P300 wholesale door-to-door delivery units. Ten of our 15 trucks are Dodge forward control units dating back to 1949. One has gone a quarter of a million miles, and none has needed a transmission or rear axle replacement!" Chantler Baking Co., Butler, Pennsylvania. Dodge has four forward control truck models especially designed to stand up to door-to-door, store-to-store delivery and save you money all the way. They come in five wheelbase lengths, from 104" to 154". GVW ratings: 4500 lbs. to 15,000 lbs. Talk to your dependable Dodge truck dealer. He's got Job-Rated Dodge trucks priced lower than most of the competition, right in line with the rest. And a liberal new finance plan.

IN MISSOURI

## BEER IS A NATURAL

Brewed slowly by a centuries-old natural process, beer is Missouri's traditional beverage of moderation—light, sparkling, delicious.

And naturally, the Brewing Industry is proud of the millions of dollars it contributes to this state's economy through wages, advertising, rentals, insurance, transportation and utilities. Money made in Missouri, spent in Missouri. In Missouri, beer belongs, enjoy it.

### 91—Legal Notices

NOTICE OF PUBLIC HEARING ON REZONING APPLICATION WHEREAS, The Zoning and Planning Commission and the City Council of Sedalia, Missouri have received applications from Web and Sons, Inc., by W. E. Brygman, owners of the following described property:

Blocks 5, 6, 7, 9 and 10, Fair View Place, an Addition to the City of Sedalia, Missouri, requesting said real estate be changed and rezoned from Zone R-1 to Zone C-3 and that said application be acted upon as provided in Ordinance No. 4479. Therefore, in compliance with Sections No. 7415 and 7416 R. S. Missouri, 1929, other applicable statutes, and the said Zoning Ordinance No. 4479, and said Zoning and Planning Commission will meet in the Council Chambers, City Hall Building, Sedalia, Missouri at 7:30 p. m. on Thursday, October 31, 1963, for the purpose of a Public Hearing in relation to said application, to change the zone and rezone said real estate, at which time and place, parties in interest and citizens shall have an opportunity to be heard.

Dated at Sedalia, Missouri, this 9th day of October, 1963.

THE ZONING AND PLANNING COMMISSION of the City of Sedalia, Missouri.

By VIRGIL HERRICK, Chairman, THE CITY OF SEDALIA, MISSOURI.

By L. L. STUDER, Mayor.

ATTEST: With the Seal of said City (SEAL) Ralph Dedrick, City Clerk.

Run 15x Oct. 10 through Oct. 27.

A "session" of Congress usually means that both Senate and House are meeting for the transaction of business.
